

FOUNDING

Trade Partner Program

A commercial partnership for Arizona contractors.

Built with contractors. Validated in the field. Designed for what comes next.

WHY THIS PROGRAM EXISTS

Help shape contractor technology and be recognized for it.

ClearSkai is selecting a small, high value group of Arizona trade companies to become Founding Trade Partners. Partners provide sponsorship capital, field participation and workflow feedback. In return they receive recognition, early access, pilot opportunities and launch visibility.

What ClearSkai builds. Field software for the trades, including SkaiScraper for the office, SkaiInspect for field capture, SkaiMeasure for roof measurement reports and SkaiClient for homeowners. All of it connects around one property record.

Best fit partners

Roofing and
Restoration

HVAC

Plumbing

Electrical and Solar

Landscaping and
Property

Remodeling and
Field Services

What every partner receives

Recognition

Partner page listing, a social thank you and approved launch visibility.

Early access

Closer visibility into emerging ClearSkai tools and product direction.

Field influence

Direct feedback that helps shape how contractor workflows are built.

Pilot potential

Higher levels include structured pilot participation and support.

Flagship target. One public partner per trade category at the \$5,000 level and above. A practical first group is five category leading partners at the \$5,000 level.

FOUR LEVELS

Choose the level of involvement that fits your company.

Each level is a commercial sponsorship package with defined visibility, access and participation benefits. Every level includes everything in the levels before it.

Arizona Trade Supporter**\$1,000**

- Partner page recognition
- Social thank you
- Early access invitation

Best for companies that want to support the program and be publicly recognized.

Founding Trade Partner**\$2,500**

- Beta access
- Launch recognition
- Product feedback sessions
- Sponsor spotlight
- Website backlink

Best for companies that want recognition plus a closer relationship with product direction.

Founding Innovation Partner**\$5,000**

- Category exclusivity in the partner program
- Onboarding and training
- Structured SkaiInspect field pilot
- Advisory sessions
- Post launch case study

Best for companies that want a strong, visible role in shaping contractor technology.

Premier Innovation Partner**\$10,000**

- Deeper pilot
- Workflow workshop
- Team access
- Priority onboarding
- Co produced case study and video

Best for companies that want the deepest partnership and the highest level of collaboration.

FROM CONVERSATION TO LAUNCH

How the partnership works.

- 1** **Introductory conversation.** About 15 minutes to confirm fit, trade category and goals.
- 2** **Choose a level.** Benefits are confirmed in a written sponsorship agreement.
- 3** **Partner materials.** Company name, approved logo and a short public description.
- 4** **Onboarding.** Feedback sessions and pilot kickoff scheduled when your level includes them.
- 5** **Recognition goes live.** Across approved ClearSkai owned channels.

Website spotlight for \$2,500 partners and above

A short feature with your company overview, trade category, why you partnered, an approved quote and a direct link to your website.

Important notes

- This is a commercial sponsorship, not a donation drive.
- Category exclusivity applies to public program recognition. ClearSkai continues to serve the whole industry.
- No equity, ownership or intellectual property rights are included.
- ClearSkai does not promise leads, revenue, media coverage or a tax deduction. Ask your accountant about tax treatment.
- Public recognition, quotes and case studies are published only with your approval.
- Final benefits are defined in the written agreement.

Next step

A short conversation to review fit, trade category, desired visibility and the right level.
